Key **Features**

Bright Images in Large Spaces | Long-Lasting Laser Phosphor Light Source | Reliable 24/7 Operation | 360-Degree Orientation | Peace of Mind

Product **Description**

Bright and versatile for any professional installation, the ViewSonic* LS750WU WUXGA laser projector delivers everything you need for big screens in big venues. Delivering 5,000 lumens of advanced high brightness, 300,000:1 contrast ratio, and up to 20,000 hours* of light source life, this projector is ideal for auditoriums, lecture halls, large boardrooms, houses of worship, and more. Thanks to SuperColor™ technology, content is brought to life with captivating color, crisp graphics, and stunning videos no matter the environment. This top-notch performer is also easy to deploy and manage with its wide 1.3x optical zoom adjustment, vertical/horizontal keystone, and 4-corner adjustment that provides extreme flexibility in even the most challenging installations. Moreover, 360-degree tilt angle projection and 24/7 operation allow for extreme mounting flexibility. The ViewSonic® LS750WU is the ideal WUXGA laser projector for professional installations, large venues, and business and education environments. *Light source life may vary based on actual usage and other factors.
